25X1

ADD/S clarified that the CAT pilot trial review session is scheduled for 7 January.

[]

25X1

Carver received the Director's approval to speak at the National War College.

[] advised that Senator Bayh is unperturbed concerning the incident at the University of Indiana, although Congressman Bray is still worked up over the temerity of the student militants. Bray is apparently doing a paper on left-wing attacks against CIA, and the Director asked [] to take a careful look at the paper to ensure it is literate.

Parrott advised that we should learn today the nature of the 10 January PFIAB meeting.

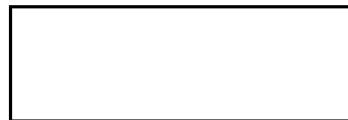

DD/S&T reported that his and [] briefing of Dr. DuBridge is now scheduled for next Wednesday and has been cleared with Dr. Flax.

25X1

ADD/P briefed on the situation in Guyana.

*The Director suggested to the ADD/I and Godfrey that a senior, knowledgeable analyst be sent on a fact-finding trip through the Caribbean islands.

L. K. White

*Extracted and sent to action officer
